Alongside your private tuition, our team will prepare you for our language examination with three sessions delivered online

The English Language Level Test (ELLT) is an alternative to IELTS that provides students with evidence of their English language level for entry into UK universities. Our preparation course will help students to prepare for the ELLT. Conducted over three sessions, the course covers the three assessment areas and teaches students the techniques and strategies required to succeed.

Session 1:

Online assessment

Prepares students for the type of tasks to expect on the online ELLT

Session 2:

Writing assessment

Prepares students for the writing assessment of ELLT

Session 3:

Oral assessment

Prepares students for the spoken part of the ELLT

Online Exam:

Assesses your speaking, listening, reading and writing skills
