

Being able to speak English will open doors for them and set them on their **journey to success.**

Ana Isabel Vázquez, English Teacher, Spain

The Oxford Test of English for Schools is a general English proficiency test tailored to suit the interests and experiences of younger test takers. The Oxford Test of English for schools is the only English Language proficiency test certified by the University of Oxford, which means it is quality assured by one of the leading educational institutes in the world.

Our three UK English schools are now approved test centres for the Oxford Test of English!
