General English

Morning 20/18

Our General English course is specifically tailored for individuals who are seeking to improve their English skills while enjoying a flexible schedule.

Whether you're a student, a professional, or an aspiring global citizen, this programme provides the perfect opportunity to immerse yourself in an engaging and supportive learning environment.

Each morning, you will participate in interactive classes, engage in lively discussions, collaborative activities, and language exercises that foster your listening, speaking, reading and writing skills.

As part of our commitment to providing a comprehensive learning experience, you will

also have access to a range of supplementary resources, including digital materials, online platforms and interactive tools. These resources will support your independent study and allow you to reinforce your learning outside the classroom, ensuring maximum progress during your time with us.

Enhance your language learning experience by combining a morning General English course with one elective (Intensive) or two electives (Super-Intensive) to create a fully customized language program. This unique pairing empowers students to strengthen their English foundation while delving into specific areas that align with their academic or professional aspirations. By tailoring their studies, students can truly excel in their chosen fields while mastering the English language.

Through our carefully crafted curriculum, you will embark on a dynamic language journey led by our expert instructors.

Outside the Classroom

Beyond the classroom, our language schools organise a range of extracurricular activities and excursions, allowing you to explore the rich culture and history of your host city. From guided city tours to social events, these experiences not only enhance your language skills but also provide a deeper understanding of the local community and its traditions.

Curriculum and Academic Support

Our language courses are meticulously designed to provide you with a supportive and dynamic learning environment. Whether you are a beginner or an advanced learner, our expert instructors will guide you every step of the way, tailoring their teaching methods to suit your individual needs. Through interactive lessons, engaging activities, and authentic materials, we ensure that you develop the necessary language skills to confidently communicate in English.

On Course Progression

At Oxford International, academic progression is at the heart of our language schools. We invite you to dive into an enriching student life experience while enjoying exceptional opportunities for advancing your educational journey.

Resources

Prior to arrival, each student is given access to our Virtual Learning Campus which is a valuable resource to aid in every student's journey outside of the classroom. This resource is coupled with a personalised programme, library and book access in each school, and one-on-one sessions with tutors to ensure each student is getting the most out of their time with us.
